

Two Scenarios - VFR-and-IFR Problems to Be Solved

Hangar flying at its finest! These sessions provide scenarios for open discussion to promote safety and build proficiency. Everyone can benefit from this open exchange to improve skills! Sessions are scenarios of Airman caught up in difficult situations. Each starts with a short video which ends with a question, "So, what would you do?" Pre-flight planning and aeronautical decision making with all levels of experience will be included in the discussion.

Via I-215 to W700N exit traffic light, turn West; at N2200W traffic light turn left (S); in 100 yards, take first right (W); at end of road, turn left and park. CAP is on left (E) side.
