

KSPK August Airport User Safety Meeting

At this meeting, the position of Safety Manager will be introduced. Spanish Fork Airport VFR Safety Procedures will be discussed as well as the safety incident report form. If time allows, we will allow discussion on current safety hazards at the airport and how to help mitigate them.

Use Gate 1 at KSPK, enter by using code 4432#. After entering the gate wait for it to shut, each vehicle must enter a code and let the gate close completely before continuing. After gate closes, follow the white road to the left which will lead you directly to hangar 107. You can park directly in front of the hangar. This meeting will run between thirty minutes and one hour in the main lobby of Hangar 107.
