

join us for a

SPECIAL FOCUS RUNWAY SAFETY ACTION TEAM (RSAT) MEETING

Our quarterly Open House will be a Special Focus Runway Safety Action Team meeting. As one of the fastest-growing airports in the nation, we've seen a rise in close calls and surface incidents — and we need your help addressing it.

Joining us at the table:

FAA, Salt Lake City FSDO, airline partners, U.S. Air Force, FBOs, flight schools, and other airport stakeholders.

This is a working session — your knowledge as a pilot, tenant, or airfield user is part of the solution we're building together. We'll also be discussing our PPR NOTAM and the path toward a control tower.

If you fly, operate, or do business at KSGU, **we need you in the room.** Refreshments will be available.

Please RSVP. Join us on a video call if you're unable to attend in person.
