This open forum will provide you with the chance to share your concerns on Runway Safety in South Central Oregon (EUG and SLE) with FAA experts, get the latest incursion data, and preview the newest Runway Safety video about Air Traffic Control and Human Factors, **Face to Face, Eye to Eye**. The event will include a short review of best practices for safe surface operations. Details and registration recommended under "Events/Seminars" at FAASafety.gov.

Directions: Parking in Lot "L" on south side of campus. **Proceed to Building 17, Room 309**. See <http://www.lanec.edu/mpr/locations/mc.htm> for campus map.
