

FAASTeam presents:

Owner/Operator (for all pilots) Aircraft Maintenance

In the words of a famous philosopher, "What, me worry?". Many pilots have the same philosophy when it comes to the aircraft they fly, "I let my mechanic worry about the maintenance". You do not have to do an annual inspection before every flight but you should know what to look for and when to ask questions. This free WINGS Seminar is part of a 3 day fly-in ending with the Wings & Wheels Fly/Cruise-In event on Sunday, August 12. There is an admission fee for the Wings & Wheels event on Sunday.

Directions: Seminar will be held in Columbia Aviation Maintenance Hangar. If flying in please see the NWAAC website for instructions and procedures.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
