

Where Am I? Special Use Airspace & PDs

Is it time for an airspace review? Being in the wrong place at the wrong time can lead to a "Pilot Deviation" or worse. What does the FAA FSDO do when they receive a Pilot Deviation Report? Come learn the easy way as opposed to through experience. This free WINGS Seminar is part of a 3 day fly-in ending with the Wings & Wheels Fly/Cruise-In event on Sunday, August 12. There is an admission fee for the Wings & Wheels event on Sunday.

Directions: Seminar will be held in Columbia Aviation Maintenance Hangar. If flying in please see the NWAAC website for instructions and procedures.
