

## Pearson Field (VUO) Airspace Operations

As the fall weather changes, Portland International (PDX) will be operating with arrivals from the west. At this seminar we will discuss how this effects operations at Pearson.

**Directions:** The Pearson pilot lounge is located at midfield right under the "Learn To Fly" sign. If flying in please adhere to the Pearson arrival and departure procedures. Contact Theresa Nelson for more info.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
