

## Cold Weather Conditions and Icing

Hillsboro Aviation is offering a seminar to learn and discuss how cold weather can affect flight activities. Topics will include weather and icing prediction using reports and forecasts, cold weather operation of aircraft, and how precipitation and ice formation can be hazardous to aviation.

**Directions:** The meeting will take place in the Terminal Building Conference Room located on the second floor, north side, middle of the building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
