

Pearson Airport Airspace Update - 5:00 Meeting

Please show your continued support of Pearson Field by attending this discussion on the airspace surrounding this historic airport. At this 1 hour seminar the airport manager will discuss changes to the airspace and the necessary precautions to ensure continued safe operations. This is the first of two duplicate meetings due to seating limitations. Please register below to help ensure adequate seating. If registration is full, please see registration for the 6:30 Meeting.

Directions: Welcome to Aero Maintenance! This seminar will be held on the second floor of the FBO. Please follow signs to the classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
