

## Safety Briefing - Density Altitude, Your Summer Companion

We'll get things started with a Safety Briefing from Willamette Aviation CFI, Dick Oman, who will review Density Altitude and other summer flying safety issues. Dick has a video showing what happens if things go wrong. The briefing gets underway at 1100 hrs in the Education Hangar. The briefing will be followed at noon by a BBQ. At noon we'll start cooking up the burgers and hot dogs for our potluck BBQ. Drop by and please bring chips, a dish, or a dessert to share if you can.

**Directions:** DRIVE IN - Two miles south of Wilsonville, just off I-5. 1/4 mile south of Arndt Rd. FLY IN - Taxi to the very north end of the Aurora airport. Park on the ramp between the fuel island and the FBO building. AVOID OVERFLYING POPULATED AREAS.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
