

Preparing for Your Next Checkride - A Pilot Workshop

We're pleased to welcome FAA Designated Examiner Mary Schu, a veteran pilot who has signed off many in our pilot community to higher flight levels. Are you planning to take a checkride in the next year or two? Or do you want to know how your last checkride could have gone a bit smoother? Drop by this month's event, and bring plenty of questions! We'll get started at 1000 hours on Saturday, Feb. 22. The event is no charge and eligible for WINGS credit — contact us to save your seat!

Directions: DRIVE IN - Two miles south of Wilsonville, just off I-5. 1/4 mile south of Arndt Rd.

FLY IN - Taxi to the very north end of the Aurora airport. Park on the ramp between the fuel island and the FBO building. AVOID OVERFLYING POPULATED AREAS.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
