

Fun Flying

We are proud to host Ms. Vickie Domke, one of Alaska's finest pilots and mechanics to the Portland area to share with us how to prepare to fly to places less traveled. She also wants to share tips with us on how to communicate with your mechanic and how to handle mechanical issues while traveling. She has fabulous tips on troubleshooting and cold weather operations.

Directions: Join us in the upstairs classroom for this presentation.

A message from the National FAASTeam Manager
