

## Hillsboro Airport (HIO) - Runway Safety ActionTeam (RSAT)

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

**Directions:** The meeting is scheduled from 9:00am to 12:00pm at the Hillsboro Terminal Building conference room (second floor) located at 3355 Northeast Cornell Road, Hillsboro, Oregon 97124.

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
