

Hood River, OR - Pilot / Controller Forum

During this presentation, PDX ATC Controller Richard Kennington debunks myths pilot have about the ATC system. Pilots will learn what assistance ATC can provide to steer them out of trouble. We will look at the services provided and review proper phraseology. This is a great opportunity to get your ATC questions answered!

Directions: From I- 84: Take Exit 62 and turn right onto Cascade Ave. Turn right at the first traffic signal onto 13th St. 13th St. joins with 12th St. and then becomes Tucker Rd. From there it is only 1.5 miles to Air Museum Rd. The museum is on the right side. Look for the vintage Drive-In theater sign at our entryway.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
