

The Perfect Co-Pilot

Most air services are provided by a two pilot flight crew. We could be a lot safer in general aviation if tasks are divided up. Come learn how to be a resourceful co-pilot.

Directions: For the non-pilots attending the Columbia River Chapter Air Meet, come join us in the pilot lounge and learn tips on being a supportive and helpful co-pilot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
