

FAASTeam presents:

**At this month's Summer Safety Briefing, a review of Class B
Airspace procedures.**

In preparation for our August fly-out to Boeing Field, Lisa will go over flight planning and ATC communications, as well as arrival and departure procedures at BFI. The briefing gets underway on Saturday, July 25 at 1100 hrs in the Education Hangar. The Briefing is followed by a Community Potluck BBQ — we'll start frying up the burgers and dogs at 12 noon. Drop by to get a look at the airplanes on our ramp, and please bring chips, a dish, or a dessert to share if you can. Come by for both or either event. See you at the airport! Bring a friend and help promote WINGs Pilot Proficiency Program, Aviation Safety through Education. And as always, Thank you for being part of our Aviation Community!

Directions: DRIVE IN - Two miles south of Wilsonville, just off I-5. 1/4 mile south of Arndt Rd. FLY IN - Taxi to the very north end of the Aurora airport. Park on the ramp between the fuel island and the FBO building. AVOID OVERFLYING POPULATED AREAS.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGs Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
