

FAASTeam presents:

Independence Fly-In & Van's Homecoming

Curt Cowley is an experimental aircraft builder, classic airplane restorer and an Airworthiness Inspector with the Portland FSDO. Curt will engage discussion on maintaining vintage aircraft, Classifying Major vs Minor Alterations/Repairs, AC 23-27 Parts & Material Substitution for Vintage Aircraft, "Supervision" of Maintenance, Recording your Training, Aircraft Type Clubs, and Historical Records on CD. This is a great time to get answers to your aircraft maintenance related questions directly from an FAA Inspector...

Directions: Fly-in traffic use CTAF 122.975 and check traffic advisories when inbound for 7S5.

Auto parking will be at Marquis Spa parking lot on Hoffman Rd. Shuttle service is provided.

Attendees are requested to stop at the registration trailer adjacent to EAA 292 chapter hangar at 4803 Airport Rd. for map and direction to the seminar. Additional information on our event is available at eaa292.org.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
