

Pilots & Meds and Lack of Assertiveness

The Pilots & Meds presentation acquaints the audience with the hazards associated with flying while taking prescription and/or over the counter medications

The Lack of assertiveness presentation is intended to explain and discuss Lack of Assertiveness and to provide some thoughts to increase awareness. We will also give some tips about how you can be more assertive in your work environment in the interest of ensuring safety and compliance.

Directions: From Bend take Hwy 20 East to Powell Butte Hwy. Go North 2 miles and the Grange will be on your left (West side of Hwy).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
