

Owner Performed Aircraft Maintenance and What You Can Legally Do Yourself

There are many maintenance items outlined by the FAA that are legal for aircraft owners and aircraft operators to accomplish themselves, thus saving money without compromising safety. Mr. Curt Cowley, the FAASTeam Program Manager, will give you tips and a list of preventative maintenance items that an owner/operator may do themselves.

Directions: From Interstate 5: Take Highway 34 SE/OR-34 to Lebanon. Turn right onto Denny School Rd. Denny School Rd becomes Airport Dr. Airport Dr becomes S Airport Road. Turn left onto W Airway Rd.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
