

FAASTeam presents:

Summer Safety Briefing and BBQ FSDO presents Pilot Safety

At this month's Summer Safety Briefing, our local Flight Standards District Office (FSDO) will offer a presentation on Pilot Safety, with an emphasis on general aviation's culture of safety, the nuances of runway safety, and how the FAA deals with pilot deviations.

We'll also kick off the summer season with our first Community Potluck BBQ.

The briefing gets underway on Saturday, May 28 at 1100 hrs in the Education Hangar, and then we'll start frying up the burgers and dogs at 12 noon. Drop by to get a look at the airplanes on our ramp, and please bring chips, a dish, or a dessert to share if you can.

Come by for both or either event. See you at the airport!

Directions: DRIVE IN - Two miles south of Wilsonville, just off I-5. 1/4 mile south of Arndt Rd. FLY IN - Taxi to the very north end of the Aurora airport. Park on the ramp between the fuel island and the FBO building. AVOID OVERFLYING POPULATED AREAS.
