

The Ins and Outs of ADS-B Compliance

Chris Brand will discuss the Ins and Outs of ADS-B In and Out. Pacific Coast Avionics is one of the leading experts in the new FAA mandate for ADS-B by 2020. Come and bring your questions regarding installing ADS-B in your aircraft and the different options available as well as installation solutions.

Chris Brand will be on hand to answer all of your questions. Don't wait until the last minute to get your answers and not be compliant.

Directions: From I-84: Take Exit 62 and turn right onto Cascade Ave. Turn right at the first traffic signal onto 13th St.. 13th St. joins with 12th St. and then becomes Tucker Rd.. From there it is only 1.5 miles to Air Museum Rd.. The museum is on the left side of Tucker Road. Look for the vintage Drive-In Theater sign at our entryway. Event to be held in the M-3 Hanger Conference Area during the WAAAM Annual Fly-In
Please note that this seminar is free, but you have to pay entrance admission to WAAAM museum.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
