

NOAA Winter Flying Guide

Will Ahue from Portland NOAA will be onsite to provide information to pilots of all ratings, weather, radar, various imagery, and how to decode/decipher weather information. This seminar will provide any pilot with knowledge needed to make a go/no-go decision.

The NOAA seminar starts at 2:30PM. However, from 12 Noon to 2 PM, EAA 1524 (Albany-Lebanon Chapter) will host a BBQ Burger event.

Please come join us for burgers and stay for the seminar.

Directions: Located in the lobby of Infinite Air Center FBO. FBO is located on the West Side of the airport adjacent to the main apron.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
