

Willamette Valley Soaring Club Annual Safety meeting

Three hour review of safety in glider operations both for the North Plains glider port and at other airports in the area. Review of airspace and IFR operations at Hillsboro airport and how those operations affect the glider flights in the area. Radio communications for glider pilots. Operational details in ground operations and runway usage at North Plains.

Directions: The facility is on the south side of Hillsboro Airport, on Cornell Rd. and will be held in the conference room on the second floor.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
