

IMC Club Meeting - Icing

We will have a guided discussion based on two real-life icing scenarios. The discussion will include a review of icing hazards, related weather products, making go/no-go decisions when icing is a concern, and an analysis of the presented scenarios.

Directions: Seminar will be held in the upstairs classroom of the main rental hangar East of the fuel pump.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
