

Ipad Seminar- hands on

Learn to apply the Ipad & the Foreflight Application to VFR & IFR flight. Review basics on preparing a route, obtaining a weather briefing and using the weight and balance function. Applicants to the seminar should have a Ipad and a foreflight program installed prior to the the seminar. If not call me for help at 360-281-0196

Directions: Willamette Building, Look for the signs to direct you to the meeting room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
