

## Pinch Hitter Safety Seminar for Pilots and Copilots

### NOTE:

RSVP required for this course at [A320grm@aol.com](mailto:A320grm@aol.com). A full explanation of the minimal fee that will be charged for equipment and facility usage, will be provided in a reply email.

The seminar is followed by a hands on lab in an airplane to test your knowledge. For those who would like to take this hands on training to the next level, we plan to fly-out for lunch to the Salem, Oregon airport (Weather Permitting).

**Directions:** FBO Hangar next to the Fuel pumps

### A message from the National FAASTeam Manager
