

Predicted Performance preplanning seminar

This seminar will help you to learn how to tailor your POH to your aircraft's actual takeoff and landing performance. The course is lead by Gary Miranda, a ATP/CFII with over 42 years experience. Hands on performance work with other pilots.

This seminar will help you prepare for our Predicted Performance Competition on Aug. 13, 2022 at 1W1 Grove field.

Before attending any seminar, please review and abide by current CDC, State and Local health guidelines.
