

FAASTeam presents:

VUO and PDX Pilot - Controller Forum

Come meet with the Air Traffic Control Tower and Terminal Radar Approach Control Facility controllers of the Portland International Airport and earn WINGS credit. Topics to be discussed include the Pearson Special Air Traffic Rule Airspace and its impact on the Portland Class C operations, flying below the Portland Class C, and TCAS/RA procedures. A general Q&A will follow.

Questions may be forwarded in advance to pdxvuoforum@gmail.com

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines

Directions: This forum will take place in the Historic Hangar at the Pearson Air Museum. Access to the Historic Hangar is on the west side of the building. Parking is available at the Pearson Air Museum and at Pearson Field.

A message from the National FAASafety Team Manager
