

## RDM Airport Runway Safety Action Team (RSAT) meeting

We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

Your participation is important, and your input is welcomed. **Please RSVP to the Tim Proctor at [tproctor@serco-na.com](mailto:tproctor@serco-na.com). Please indicate whether you would like to attend the meeting in person, or virtually. Include the name, organization, phone number and email address of those who will be attending.**
