

New Flying Club Prineville Airport (S39) Information Meeting

**When: Saturday July 13th 2024
9:00 AM – 10:00 AM PDT**

**Where: Prineville Airport (S39)
Terminal Building Conference Room**

Join a group of local pilots planning a new flying club at Prineville, S39.

You can be “in on the ground floor” of this new club:

- ✓ Help define the structure
- ✓ Help choose the airplane(s)
- ✓ Help get this off the ground!

Our first informational meeting will be led by local pilot *Steve Bateman*, recently retired as AOPA Director of The Flying Clubs Initiative. Steve literally wrote the book on starting and running flying clubs!

You’ll learn how we can all fly more, spend less, and have more fun in the process.

At this meeting, we’ll discuss:

- Types of flying clubs
- Club culture and objectives
- Club structure
- Keeping the FAA & IRS happy
- Choosing & financing club aircraft
- The money—what it will cost
- Next steps...
