

A Focus on CFI Performance - Are You Providing Adequate Instruction?

We will conduct a round table forum discussing the Five Professional Responsibilities for all Aviation Instructors. The roundtable discussion will include topics identified by Designated Pilot Examiners and statistical data from the Designee Management System.

Join us in the Mezzanine Classroom overlooking the Howard Hughes Spruce Goose. From the main entrance of the museum, use the curved stairway to your right to ascend to the Mezzanine. The classroom will be on your right at the top of the stairs. An elevator to the Mezzanine is available upon request.
