

## YouTube Year in Review at This Months Second Saturday Seminar

At this month's Second Saturday, we'll be presenting our annual **YouTube Year in Review!** There's no lack of aviation videos to be found on the Internet — everything from amazing aerobatic displays to the occasional skids, bumps, and gear-up landings. And while we often find ourselves amused and entertained by the skill (or folly) of others, there also is **a lot to learn** from what we find online. We've collected some of our favorite YouTube clips for discussion — drop by this month's seminar to see everything we've selected, along with a few tips that should improve your flying skills.

This month's Second Saturday gets underway on **Dec. 13 at 1100** in the Education Hangar at Willamette Aviation. The event is certified for **FAA Wings credit** and there is no charge. After the event, everyone is welcome to stick around for this month's **Apple Pie Social**. We'll be serving hot apple pie and other treats. We'll see you there!
