

Cascades 99s Flying Companion Workshop

Flying Companion Workshop & Pilot Safety Seminar

This event combines a Flying Companion Workshop for non-pilots with a FAASTeam WINGS Safety Seminar for pilots.

The Flying Companion Workshop is designed for non-pilot spouses, friends, and frequent passengers to learn how to be an effective safety resource during flight, including basic aircraft awareness, communication, and emergency response. **Simulator time is included.**

Pilots will attend a WINGS-eligible seminar covering Single-Pilot Resource Management and practical methods for incorporating a non-certified flying companion to enhance safety.

Event Details

Sat, Apr 25, 2026 at 13:00 PST

Cascadia Tech Aviation High School Building

12200 NE 28th Street

Vancouver, WA
