

Bend Airport Airspace Outreach

Join us for a briefing on the progress of establishing air traffic services at the Bend airport. We will discuss operations at the airport with the opening of the Air Traffic Control Tower in August, and the designation of Class D Airspace in September. This outreach event will also be presented on Friday, June 12th at 5:00am, at the same location. Attendees only need to attend one of the two events.

Turn eastbound from Powell Butte Road, onto Nelson Road. Proceed 1/2 mile and turn left onto Nelson Place, and then turn right into the Epic parking lot. Proceed from the Epic lobby up the stairs to your right and straight down the hallway to the seminar location.

A message from the National FAASTeam Manager
