

Weight and Balance Principles

Ken Klarfeld will lead a discussion on the principles of weight and balance and the specific procedures to calculate the center of gravity for Aero Dynamics Aero Club aircraft. Ken will present information regarding manual calculations and the use of automated systems to derive center of gravity solutions.

This seminar is intended to provide WINGS Credit to individuals attending the Aero Dynamics Flying Club presentation.

From I-205 take exit onto Hwy 213 south bound. Continue on Hwy 213 to the town of Mulino. The EAA Chapter Clubhouse is about 1/4 miles past the restaurant on your right. 13801 S. Darnell Rd.
