

VFR/IFR Arrivals and Departures at KVVU

AMFC Flying With Confidence Seminar Series: VFR/IFR Arrivals and Departures at KVVU

Flying in and out of Pearson Field presents unique challenges for both VFR and IFR pilots. Join **Brig Williams** for a practical seminar focused on procedures, airspace considerations, local operating practices, and techniques for safely and efficiently arriving and departing KVVU.

Topics include runway and airspace considerations, common procedures and traffic patterns, arrival and departure techniques, local knowledge and position reporting, and key differences between VFR and IFR operations at Pearson Field.
