

ForeFlight for IFR AMFC Flying With Confidence Seminar Series

AMFC Flying With Confidence Seminar Series: ForeFlight IFR

Join **Sara Baker** for an IFR-focused look at ForeFlight and the tools available to instrument pilots. Learn practical ways to better organize, plan, and manage an instrument flight while making effective use of ForeFlight in the cockpit.

Topics include IFR flight planning, weather information, charts and procedures, airport information, route organization, situational awareness, and practical techniques for getting more from ForeFlight during instrument operations.

Upcoming seminars: Weather for Pilots (12/5) and Rusty Pilot BFR Prep (12/12).

View the complete schedule at www.aeromt.com/events.
