

BOI GA Community and FAA Pilot Controller Forum

Boise Airport Operations will cover future plans and conditions that may have an affect on all operations at the airport and your input is needed. Boise Tower/ATC will discuss how to improve communications and procedures for operations in and out of the airport. Learn and discuss how to improve safety in your flying activities. There will be time for Q & A as well.

Directions: Boise River Room, located on the upper floor of the terminal, just west of the rotunda near the Airport Office.
