

Cleared for Discussion - Elevating Standards in CFI and DPE Collaboration

Join us for an in-person CFI/DPE Forum at **Caldwell Airport (KEUL)** on **Tuesday, May 27, 2025, at 3:00 PM**. This interactive session brings together Certified Flight Instructors and Designated Pilot Examiners for a candid, solutions-focused conversation about current check ride trends, student performance, examiner expectations, and strategies to enhance training and testing outcomes.

Whether you're a seasoned instructor or a new CFI, this is a unique opportunity to ask questions, gain insight, and strengthen the bridge between instruction and evaluation. Let's work together to raise the bar for aviation training in our region.
