

Spokane FAA Safety Team presents:

Select #: NM1323360
Representative ANDREW DAVID MCIRVIN

Pilot Aeronautical Decision Making and Owner Preventative Maintenance

Saturday, March 14, 2009 at 8:00 am

Midstate Aviation Inc
1101 Bowers Rd
Ellensburg, WA
Contact: Andy McIrvine
509-962-7850

am.midstateaviation@fairpoint.net

CWU Professor Dale Wilson will discuss techniques for developing situational awareness, evaluating options, and making safe flight decisions. Midstate's Director of Maintenance Ed Beeson will explain owner/operator responsibilities when performing preventative maintenance, and proper aircraft logbook entries.

Directions: Midstate Aviation is located on the south side of the Ellensburg Bowers Field Airport. Meeting will be in the Midstate Aviation Conference room.

Message from the National FAASafety Team Manager:

Start FAASafety Team CFI Workshops any time! Find Workshop #2 in SPANS.
