Safe Pilot Program
Presents

The P-51, Warbirds and You

Lewiston

Wed., Apr. 1

EAA Chapter 328 Hangar
7:00 PM

Coeur d'Alene

Thurs., Apr. 2

Budweiser Centennial Distribution
Building, Hayden, 7:00 PM

Sandpoint

Fri., Apr. 3

EAA Chapter 1441 Hangar
6:00 PM

By Mark Peterson

Owner, Preco Electronics, Boise
Flown over 30 different types of aircraft
Owns and Flies TF-51, Diamondback
ATP
Type rating - Citation 500 and 525 series

Mark will discuss the illustrious and decorated history of the P-51 Mustang including modern operations in and around non-towered airports.

- What should we expect when these and other Warbirds enter the local traffic pattern?
- How do we safely interact with them?
