

FAASafetyTeam CFI Workshop #4

Begin now or continue the Workshop Series: Subjects will include TSA requirements, Special Use Airspace and the changes planned for our airspace system, Checkride preparation issues and techniques, Pilot Decision Making, Accident & Incident review, and more... Non-CFIs, especially those hoping to become CFIs, are welcome and encouraged to come. Seating is limited. Please register for this seminar at www.FAASafety.gov!

Directions: The Spokane FSDO is located on Felts Field, just east of the control tower. Please use call button at the front door for access to the building.

A message from the National FAASafetyTeam Manager

Start FAASafetyTeam CFI Workshops any time! Find Workshop #4 in SPANS.
