

Bergstrom Aircraft and the FAASafety Team presents:

# Pasco Fly-In: Making You a Better Pilot

A number of speakers will discuss: "Illusions in Aviation: Is it real?" What you think you see and feel may not be real; "How was Vista Field Saved?" What did it take? What happens next?; "Unusual Attitude Training for Every Pilot"; "G100UL - Alternative AvGas in Your Aircraft? Fly-In; Barbecue; And much more!

**Directions:** From I-182 or Hwy 395, take 20th Ave Exit. Head north on 20th toward Tri-Cities Pasco Airport. Turn right onto Argent. Turn left onto Stearman. Follow Stearman to Bergstrom's.

## A message from the National FAASafety Team Manager

The new WINGS—Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
