

FAASTeam presents:

Advanced Preflight - Are You Really Prepared to Fly?

Are we safe, legal, and really ready to fly? What should we think about and do before engine(s) start?? Do you know your systems?

Directions: Martin Field is a privately-owned, public-use airport located one mile (2 km) west of the central business district of College Place, WA.

Representative JOHN TOWNSLEY

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
