

## Air Force Survival School Brief

Engine failure in remote areas of Washington? It happens! The information gained in this seminar will teach pilots some of the knowledge they will need to know to survive until rescue help arrives on the scene.

**Directions:** Take exit 287 from I-90. Proceed north on Argonne to East Montgomery Ave. Turn left (west) into the restaurant parking lot.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
