

# Airline Safety procedures for the Single Pilot operator

CWU Aviation Professor Jason Underhill will discuss airline safety procedures, principles and how they can be applied to a single pilot flight.

**Directions:** Take I-90 to Ellensburg and take exit 106. Head east on University Way until reaching Reecer Creek Rd. Turn left on Reecer Creek Rd and travel 3 miles north until Bowers Rd. Turn right on Bowers Rd and head east for 3.5 miles until reaching Midstate Aviation.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
