

The Annual Walla Walla Regional Airport Pilot / Controller Forum

This is your opportunity to ask your Air Traffic questions directly to the controllers you speak to on the radio. Local AME Dr. Jack Shannon will be there to answer your questions concerning any medical issues your "cousin" might have. Minard Thompson will discuss Pilot Deviations, the process, the papertrail and the pilot.

Directions: The forum will be held in the Airport Terminal Building Conference Room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
