

Seminar 1 of 3. Aircraft Performance and Emergency Procedures

This is the first of three WINGS seminars. It will discuss basic aircraft performance, factors that affect desired performance, and how to prepare for and avoid emergency situations.

Directions: Follow College Parkway to the Aviation Department Building 3000

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
