

FAASTeam presents:

HAI - Helicopter Safety Day

Piloting hazards, best maintenance practices, operations at the limits of the envelop and many more subjects will be discussed during this day-long helicopter only safety seminar.

Directions: From I-5 North or South, follow the signs to the Museum of Flight. The Helicopter Safety Day will be held in the North View Lounge. Take the elevator upstairs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
