

Collision Avoidance at Non-Towered Airports

This seminar discusses requirements in the FARs as well as recommended practices in the AIM for pattern entries and departures at non-towered airports and the legal aspects of failure to follow standard practices. Procedures at several local airports are highlighted.

Directions: From Hwy 395 or 182, take 20th Avenue Exit. On 20th Ave, head north toward airport. Turn right at light onto Argent. At next stop sign, turn left onto Stearman. Bergstrom's is on left about ½ mile.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
